### New Pricing Structure for Animal Center

The Animal Center announces a new pricing structure for dogs, puppies, cats, and kittens based on the age of the animal and the amount of time it has spent awaiting a home. It is hoped that this new program will generate additional revenue so the Center can continue to ensure the very best care for the ever-increasing numbers of homeless and unwanted animals in our community.

### Not Your Ordinary Cat Show

The Animal Center is pleased to announce that it has been specially invited to attend the Tennessee Valley Cat Fanciers' Association Cat show on **Saturday, March 24 from 10am-4pm** at the Jacob's Building in the fairgrounds (3301 Magnolia Avenue; it shares a parking lot with the Knoxville Zoo). We are looking for four volunteers to join us that day to showcase four shelter cats. We are looking for one volunteer to transport cats from the Center, four volunteers to handle one cat each from 10am-4pm, and one volunteer to transport cats back to the Center. If a cat handler is willing, they could transport cats to and from the show, so only four volunteers total will be needed. If you can help with this fun event and unique opportunity to promote animal sheltering, spay/neuter, and rescue, please contact Karen Lively at [klively@knoxpets.org](mailto:klively@knoxpets.org) or 865-215-6668.
