Animal Center Needs Foster Parents!

Kitten season is here, and the Animal Center is looking for foster parents for some of our furry charges. All of these fostering opportunities will last several weeks. Foster parents will coordinate health check ups, medical care, and pick-up and return dates with the Adoption Floor Manager. Be advised that the Center can't guarantee that any particular animal will find a home, but as always, we'll work very hard for each animal.

Animals to be Fostered:

- One mother cat with three 2-3 week-old kittens
- One mother cat with a litter of kittens that are just a couple of days old
- A mother beagle with seven puppies that are approximately two weeks old

If you can help with this very special project, please contact Beth Finnermore-Neff directly at bneff@knoxpets.org.
