The Animal Center's Online Newsletter, October 6, 2005

This is what we've heard!

“My dog is my running partner.”

“I can't run *without* my dog!”

“I wanted to do a 5K, but I didn't want to leave my dog out of the race!”

“You can count on *us* being there!”

The Animal Center invites all two- and four-legged runners and walkers to join us for our **Furry Scurry 5K** in 2006!

Our October 15 race has been moved to a later date and to a course that is pet-friendly. Please spread the word about our race change, and stay tuned to www.knoxpets.org for the race date. We heard you, and now we're making the change!

Thank you for your feedback and support!

Hot Off The Presses:

October's Critter Magazine!

Critter magazine is published monthly by Peaceful Kingdom, a 501(c)3 non-profit organization. Critter magazine has helped save the lives of thousands of homeless companion animals featured in their magazine. Most of these animals have been spayed or neutered, preventing the birth of millions of animals.

Critter is a free periodical for its readers and has an all-volunteer staff. Also, magazine space is no-cost to organizations or individuals caring for animals who need homes.

So, how does Critter fund the production and printing of this life-saving magazine?

Businesses sponsors, big and small, purchase ad space each month. Many sponsors have pet-related agencies, while others just have a love of animals and the desire for them all to find homes.

Critter has a wide distribution. You'll find it at pet supply stores, veterinary clinics, and all around town. Agri-Feed & Pet Supply, always a friend to animals, serves as the distribution center for Critter.

Be sure to pick up your October Critter, and look for the Animal Center's quarterly newsletter, *The Howl*, by its side this month. You might just find your new best friend!

Monthly business sponsorship rates are \$300/150/75/35 for a full-page/half-page/quarter-page/business card ad in color, and \$200/100/50/25 for grayscale ads. A one year, mailed subscription is \$25.
